II. Discussion and Committee Reports:

a) Growth and Expansion

PDG/GMOAA Eftyhia Kirkiles 289 suggested that chapters who had the largest number of initiates should present how they grew their chapters.

PGP/PDG Connie Pilallis 372 suggested that we meet along with AHEPAns and keep meetings to 45 minutes, set agenda, and keep it concise.

Dolly Vatikiotis 62 said that Periboea 62 had 27 new members last year and 9 new members this year.

Non-Greeks are encouraged; they had different events and fund raisers, a mix of formal and informal meetings, complimentary dinners, dinners out, concerts, and lots of outreach. She recommended that we smile, encourage, and discuss how great DOP is.

Christina Zervas 356 suggested that we go to community and other functions, festivals, and game nights- DOP vs. AHEPAns.

PDG Alice Aspras 289 said that Narcissus had a new and young president who brought in new young members and suggested some Saturday meetings to encourage younger working members.

PGP/PDG Nicky Stamoulis 210 said that Aeneas is a small chapter, but that having potluck dinners in members' homes was doubling meeting attendance- socialize first then have discussion. Younger members bringing their friends.

PGP/PDG Connie Pilallis 383 moved to allow GG Patty Didik to remove her jewels to speak as a Sister of Citrus District 2, seconded by Dorothy Xanos 186, passed by the Delegates.

b) Ways and Means

Tina Wilson 356 explained AHEPA 489 Charities 501C3 fundraising annual bus trip raising money for district project.

PDG Stella Sirks 189 was concerned that this nonprofit does not fall within bylaws.

Diane Psetas 356 said that AHEPA 489 charities allow for giving through the 501C3; DOP has separate fundraising.

PGP/PGD Connie Pilallis 372 described 501C3 as AHEPA umbrella.

Lina Kitsos 210 asked about 501C3 donations.

PGD/GMOAA Eftyhia Kirkiles 289 stated that 501C3 is AHEPA; DOP has 501C10.

PDG/GG Patty Didik 356 stated that the difference has tax consequences.

PGP/PGD Sonja Stefanadis 186 discussed setting up DOP Foundation 501C3 nationally, as scholarship funds now up over \$1million. Eros 356 has set up their own nonprofit foundation.

c) Projects

PGP/PGD Connie Pilallis 372 stated that Cassandra 372 chapter has reached out to nearby local school, providing Valentine's goodie bags, supplies for their "store," allowing underprivileged students to "shop" there as rewards for good behavior.

Dolly Vatikiotis 62 hosted BLINGO; they rented Elks Lodge, sisters donated jewelry, handbags and other gifts. Refreshments were provided by the Sisters, played BLINGO, raised \$3K, then after the 10 games of BINGO, the remainder of the prizes were raffled off.

Dorothy Xanos 186 discussed Pelias 186 Fashion Show raised over \$10K, proceeds went to Clothes to Kids, DOP Foundation and local AHEPA Family scholarships. It was a successful event with men and women attending, and men and women modeling the fashions.

PDG/GMOAA Eftyhia Kirkiles 289 said that Narcissus 289 partnered with the Hellenic Culture Society, hosting Greek films, movies, wine pairings, art events, and cooking lessons.

Stella Stringer 289 encouraged attending other DOP and community events. Narcissus 289 fashion show proceeds donated to PACE. They paired with Philoptochos for Feeding South Florida, grew Hellenic Professional Women's Group. They paired with Ft. Myers DOP for Hurricane Ian relief. She suggested that Saturday meetings are key. She asked how did Pelias fashion show make \$10K instead of \$5K?

Dorothy Xanos 186 stated that all raffle items were donated, sponsorships were elicited at \$100, \$500 and \$1000 levels, and raffle ticket sales all helped with raising large amounts of money. Personal thank you notes and recognition in program helps tremendously in asking for repeat sponsorships in future years.

Ticket price stayed reasonable (\$50), due to volume. DOP sisters brought friends and neighbors. Clothes to Kids and AHEPA Clearwater scholarships benefitted.

LeeAnn Lamby 186 stated that doing large events every other year may help with getting sponsors.

PDG Ourania Stephanides 167 stated that having a relevant speaker from the charities benefiting helps.

Dolly Vatikiotis 62 discussed story from speaker.

Dorothy Xanos 186 mentioned that the DOP Fashion show occurs one year, and the Philoptochos Festival of Tables the next year alternating.

Break at 11:00 for 10 minutes.

Reconvened at 11:10.

d) Maids of Athena

DMOAA Nina Pazos 186 said we are having trouble keeping chapters active. We have 2 chapters in District 2. Young ladies have busy lives. Daughters of Penelope with young daughters should be asked to be Advisors for MOA chapters. Our young ladies are our future, as they will be DOP in the future.

PDG/GMOAA Eftyhia Kirkiles 289 discussed our young women as amazing, professional women, using MOA as a guide and to build leadership and as a resume item. Tarpon Springs and Tallahassee have chapters. The Tallahassee chapter is sponsored by FSU. We should encourage all cities with state schools

to host chapters. MOA has travelled around the country and to Greece. Need to bridge Maids into Daughters.

PGP/PDG Sonja Stefanadis 186 asked about age limit and dual memberships.

PDG/GMOAA Eftyhia Kirkiles 289 responded that the age group for MOA is 14-28. After age 24, they can transfer into DOP. They should not pay dues for both.

Stephanie Giallourakis 186 asked if they can be involved with both. Maids should be encouraged to attend DOP meetings and events.

Kathy Pantelis 186 asked if we could waive their fees to encourage young women to enter the Daughters, not currently in place.

DT Stella Stringer 289 asked how FSU allowed MOA as a group, receive funds from the state for expenses and conventions.

PDG/GMOAA Eftyhia Kirkiles 289 said that they have to have a sponsor involved in the school; an AHEPAN at FSU is the sponsor.

Stephanie Giallourakis 186 stated that MOA can form lifelong friendships and relationships. Our DOP chapters need to sponsor MOA chapters, help with convention registration costs, and invite them to DOP meetings and events.

PDG/GMOAA Eftyhia Kirkiles 289 suggested that social media in this age group is hugely important.

PGG/PDG Joanne Sackedis 186 asked Periboea 62 how they are helping support their MOA in Tarpon Springs.

Louisa Delaportas 62 discussed the amazing active chapter at Tarpon Springs. All MOA and their mothers were invited to DOP end of the year luncheon. They did several fund raisers and charity events like selling tsourekia on Palm Sunday, Fight Hunger food program, soup kitchen Feeding Tampa Bay, Habitat for Humanity, cards and fundraiser for NICU patients, Snow Place like Home bake sale, Epiphany events, Valentine's Day bake sale, Friendsgiving event. Their MOA chapter is mostly aged 18-21, use zoom meetings; flexibility is key for Maids.

PDG Alice Aspras 289 asked when the Microutsicos scholarship was increased to \$1000.

Kathy Pantelis 186 stated that that was passed last year.

f) Penelope of the Year

Chair Stella Androutsopoulos 289 discussed that there were only 2 applicants this year. The committee recommended that the application be simplified, as it is difficult to fill out. This was discussed last year as well, but nothing was done. There was also some discussion about not needing to have been involved at the National level to become Penelope of the Year. Chapters should help/guide the potential Penelope to fill out the application.

Committee members included: Stella Androutsopoulos 289, PDG Stella Sirks 189, PGP/PDG Nicky Stamoulis 210, PDG Ourania Stephanides 167, Maria Balasis Zahn 59, Christina Zervas 356.

DG Ann Pirrello stated that each chapter should fill out a Penelope of the Year application.

PDG Stella Sirks 189 suggested that the forms be typed.

PDG Penny Karantonis 372 stated that the form is awful; point system is horrible. We should make a written recommendation to be sent to National to improve the forms.

DLtG Dorothy Xanos 186 also recommended improvement of the form and the scoring sheet.

PDG Penny Karantonis 372 moved that we recommend the Penelope of the Year form be revised in form and technical issues and the point system simplified, seconded by DLtG Dorothy Xanos 186.

PGP/PDG Nicky Stamoulis 210 agreed with digitization.

DS Iliyana Simeonova-Boyce 372 recommended that the digital form be corrected in its form, as the "fill in" form is too small.

DG Ann Pirrello 356 recommended that the Penelope of the Year D2 committee meet once more this year to revamp the form for submission to National.

PGP/PDG Sonja Stefanadis 186 recommended that delegates to National Convention should be on the committee to discuss.

Kathy Pantelis 186 asked if D2 could make its own form, which was declined.

DT Stella Stringer 289 recommended clear instructions to fill out the form. Platform matters.

The amended motion stated that the Penelope of the Year form be revised in form and technical issues, the point system simplified, the process be digitized (available online, submitted online), and clear instructions given for filling it out. This amended motion was passed by the delegation.

PDG Marie Kyriacou 372 presented the Proposed 2023-2024 Expenses. See attached.

PGG/PDG Joanne Sackedis 186 suggested that since the 2024 convention will be in Cyprus, we will need international funding.

PDG/GMOAA Eftyhia Kirkiles 289 stated that that will need to go into next year's budget.

DLtG Dorothy Xanos 186 suggested that we will need to put more money into the DS account.

PDG/GMOAA Eftyhia Kirkiles 289 recommended that we take some money (\$50) from district project and put into DS expenses.

Lina Kitsos 210 asked why there was no district workshop funds budgeted for this year.

PDG/GMOAA Eftyhia Kirkiles 289 explained that this year the workshop was online, so District Workshop monetary needs were \$0.

LeeAnn Lamby 186 stated that despite the information sent out about this scholarship, we rarely have applicants.

Kathy Pantelis 186 stated that perhaps people don't apply due to vanity.

PDG Marie Kyriacou 372 recommended that we take \$500 for CE scholarship out of budget to balance the budget. The Microusticos scholarship is through the PDG funding, so it does not need to be put into the budget.

Proposals:

Line 33: change of date to 6/1/23.

Line 36: change to beginning balance after expenses.

Line 38: write every check number that has not cleared.

Stephanie Giallourakis 186 moved to accept the budget, seconded by Mary-Jeane Huber 59.

Discussion: Vicky Sboukis 62 asked about adding Continuing Education scholarship to budget on both sides (income and expense), as there is no money coming in for that; this was declined.

Kathy Pantelis 186 suggested that since Stephanie Giallourakis 186 is on the budget committee, she would like to make the motion if Stephanie Giallourakis 186 is agreeable (she is).

Kathy Pantelis 186 moved to accept the budget with amendments as discussed above, seconded by Mary-Jeane Huber 59, and the budget was passed unanimously.

h) PDG report

Ritual Revision 2023 Side by Side with 2011 Ritual. See Attachment.

PDG Alice Aspras 289 was concerned about the removal of warden, marshal, priestess and sentinel.

DG Ann Pirrello 356 stated that she would like to have positions stay the same.

Christina Zervas 356 would like to have positions stay the same.

Stephanie Giallourakis 186 held same position, opposed to new resolution, as this is what makes DOP different from other organizations.

PGP/PDG Connie Pilallis 372 described the ad hoc committee who meets Monday nights. Ad hoc committee has approved that each chapter can use Ritual book as a guide, not hard rules.

PDG Ourania Stephanides 167 appreciated what the ad hoc committee approved.

Diana Psetas 356 asked if we should move to accept the changes, but PGP/PDG Connie Pilallis 372 suggested that we go through all of the changes.

GG/PDG Patty Didik 356 read a letter from Pelias 186 Clearwater chapter who disagreed with removing marshal, priestess, warden and sentinel, and the change in set up. They suggested making this optional for small chapters. They also suggested that small chapters doing rituals can assign the positions as needed. They recommended a change the name of Priestess to something more modern.

Diana Psetas 356 stated that all of the recommendations be guides or optional for small chapters.

Dolly Vatikiotis 62 said that Tarpon Springs priest is not in favor of AHEPA/DOP due to "ritual;" they are unable to utilize church facilities for meetings, etc.

PGP/PDG Connie Pilallis 372 read synonyms for Priestess.

Tina Wilson 356 suggested Deaconess or Manual instead of Priestess and Ritual. She agrees with keeping the traditions and what makes us unique, but each chapter needs to act according to its needs.

PDG Ourania Stephanides suggested Invoker or Herete in place of Priestess.

DMOAA Nina Pazos 186 suggested Benedictionist in place of Priestess.

PGP/PDG Connie Pilallis 372 stated that we need to change it to a non-religious name. We need to become more modern, make meetings shorter

Kathy Pantelis 186 suggested Prayer Officiant or Blessing Officiant.

Vicky Sboukis 62 suggested Prayer Reader.

PDG Marie Kyriacou 372 read a letter from Eros 356 that requested "Smoking, knitting, and chewing gum are not permitted" be removed. Also suggested password should be removed and "loyalty to Mother Lodge" should be removed.

PDG Ourania Stephanides 167 said lots of things have changed due to electronic methods, so we do not need things like passwords.

PGP/PDG Connie Pilallis 372 said that passwords can be useful visiting other chapters, since we do not have cards anymore.

Stephanie Giallourakis 186 asked why we are reading emails from chapter and if we will then have to go over the recommendations from the ad hoc committee.

DLtG Dorothy Xanos 186 recommended that we read emails from chapters, then go through ritual.

GMOAA/PDG Eftyhia Kirkiles 289 suggests we go through the changes one by one and vote.

DG Ann Pirrello 356 received emails from some chapters, but not all. We need to highlight comments.

GMOAA/PDG Eftyhia Kirkiles 289 said that we will not be going through the entire ritual revision packet.

PDG Ourania Stephanides 167 recommended that "smaller chapters" be removed.

Stephanie Giallourakis 186 amended her motion to retain the room set up, making the alternative set up optional according to the needs of each chapter, seconded by DMOAA Nina Pazos 186, passed by the Delegates.

We discussed the following words to take the place of Priestess: Invoker, Benedictionist, Prayer Reader, Blessing Reader, Reader, Prayer Officer.

PDG Penny Karantonis 372 suggested Lector.

Stephanie Giallourakis 186 said that we are trying to change the word to a non-religious word, but that we are saying a prayer, so this is counterintuitive.

LeeAnn Lamby 186 suggested Lector: a reader especially at church services.

Stephanie Giallourakis 186 moved that we submit the following names to the ad hoc committee: Invoker, Benedictionist, Lector, Prayer Reader, Blessing Reader, Reader, Prayer Officer.

Carol Makris 356 seconded, passed by the Delegates.

Discussion: Christina Zervas 356 asked how many years and what is involved.

LeeAnn Lamby 186 asked if that involves waiving per capita and chapter dues.

Paulette Rhome 62 responded per capita.

PGG/PDG Joanne Sackedis 186 read the bylaws which state that per capita was waived for women with 50 completed continuous years prior to 1/1/1999. National needs to pay their bills.

Esther Kontos 62 suggested that the Grand President cut her travel expenses to pay for this.

Christina Zervas 356 stated that their chapter pays per capita dues for their members over 50 years.

PDG Marie Kyriacou 372 agreed; if your chapter feels strongly, your chapter can do so.

Esther Kontos 62 amended her motion to forward to Supreme Convention to reinstate waiving per capita dues for life members with continuous membership > 50 years, seconded by Paulette Rhome 62; the motion did not carry.

DLt G Dorothy Xanos 186 wanted to discuss the ZOOM meetings for committees that were done, as some sisters were concerned.

PGP/PDG Connie Pilallis 372 had been concerned about ZOOM previously, but after this year, she has changed her mind. She feels that budget and scholarship can be done by ZOOM, but that Penelope of the Year should be done at convention.

PGG/PDG Joanne Sackedis 186 felt that in person at convention is preferable, as people can meet each other and ask questions.

PDG/DA Stella Sirks 189 disagreed; ZOOM ahead of time saves time at convention.

DT Stella Stringer 289 said that young members will want ZOOM meetings, not in person. Chairs must be efficient, time limited, should know how to operate zoom, photos should be on. Continuation is key; transitions should be effective.

Ann Marie Ryan 356 agreed that ZOOM meetings are effective, but perhaps short meetings day prior to convention could be helpful.

PDG Marie Kyriacou 372 suggested shorter conventions since we are utilizing ZOOM.

PDG/DA Stella Sirks 189 noted that most district conventions around the country are one day.

Diana Psetas 356 invited us to Asheville on a bus trip October 22-27, 2023, hosted by AHEPA 489 Charities. This fundraising will go to Limbitless. They will also be hosting the Yassou cruise June 15-21, 2024, on Royal Caribbean Adventure of the Seas. See Tina Wilson 356 for more details.
