Become a Sponsor and Make a Lasting Impact at Our District Convention!

You may be aware that hosting our convention each year is an incredible experience, but it comes with increasing costs. To continue providing our members with a memorable and impactful weekend, we need your support to help offset these expenses.

In the past, we printed an ad book, but we have found it to be both costly and labor-intensive and unfortunately, it often ends up discarded after the event. This year, we decided to take a new approach by offering two exciting sponsorship opportunities to individuals, district chapters and local businesses.

By becoming a sponsor, you not only contribute to the success of our convention, but you also gain valuable exposure to a dedicated audience. We offer two sponsorship packages designed to give maximum visibility.

Sweet Pomelo Sponsor:

- Your name or logo featured on a banner displayed in the the main meeting room during the convention.
- Your name or logo prominently displayed on each table at the Gala.
- Your name or logo on flyers distributed to all delegates at the convention.

Key Lime Sponsor:

- Your name or logo on flyers distributed to all delegates at the convention.

By sponsoring our convention, you will be directly supporting the experience of our members while promoting your brand or chapter to an engaged audience.

We greatly appreciate your support. Let's work together to make this convention the best one yet!
