
CITRUS DISTRICT 2 DAUGHTERS OF PENELOPE

District Governor
Diana Psetas

Autumn reminds us that change can bring fresh energy and new possibilities. As we look ahead, I'm excited for us to renew our goals together. Since joining the District Lodge, I have worked to make our online[DP1] communications clear, accessible, and efficient. I'm grateful to the chapter presidents for their thoughtful suggestions about our text thread communication. Their feedback has helped us build stronger connections through responsiveness, patience, and encouragement.

I am proud to share that the District is aligned with the National objectives. Our upcoming workshop also reflects Grand President Antoinette Marousis-Zachariades's theme: "Respect, Unity, Integrity, Service." These principles guide us as we lead, mentor, and prepare the next generation. Her 2026-2027 initiatives include online self-education resources that provide convenient references for sisters at every level of experience, from new members and Chapter executive lodge members to District Governors. I encourage you to explore the new DOP learning guides. Three new webinars via Zoom are also scheduled. On November 15 at 4 PM, Robbie Jackson will present "Making Meetings Work," featuring practical tips for creating productive and useful meetings. She will also present "Dealing with People When They Can Be Difficult" on January 17 at 4 PM. Details about the third webinar will be announced later.

I hope you'll join us for the workshop on Saturday, November 7, at 10 AM. The chapter with the highest attendance will receive a gift card. This term, the District's fundraiser will benefit Limbitless Solutions, your donation supports Bionic Kids participating in clinical trials. Packets with complete fundraiser details will arrive by mail. Our goal is for each chapter to sell 20 tickets by May 15.

National has also announced a challenge for the District with the highest paid per capita by December 31. To participate, each chapter's total membership must be paid in full. If eligible a drawing will be entered for a gift card, with the winner announced at the Supreme Convention in Chicago, July 1-7.

Every milestone begins with a small step, and I'm grateful that we're taking each one together.

Warmly and in faith,
Theta Phi
