CITRUS DISTRICT 2 DAUGHTRS OF PENELOPE

District Governor
Diana Psetas

The three celebrations, Thanksgiving, Christmas, and Epiphany are the most important ones. These memories at the end of the year and at the beginning of the next bring us joy.

At Thanksgiving, I am thankful for my sisters and for the families, friends, and support that allow sisters to give their valuable time to Daughters of Penelope. At Christmas, our sisters gather with their Christian families and friends. Our sisterhood of families in each chapter, at the district level, and at the national level spends time giving to those in need. We are the family of sisters you can depend on for support.

At Epiphany, the three wise men put their lives on the line out of curiosity about a shining star. We devote our precious time to evolving, not knowing where the brave new steps we take will lead us on our adventure: communicating through online changes and using new tools to keep our current family of sisters united in pursuing our goals. And finally, how do we extend our family to include new sisters? Traditions passed down through the centuries can be used with new technologies today. This blending helps the new generation KNOW where they came from and why. The sisters of this generation have different ways of striving for hope, charity, and love in the years to come. Be patient has a loving Yiayia, Thia, and sister.

What is the reality of our goals? It is exhilarating to achieve them. We work together on paths that make history. This brings happiness to our entire sisterhood. It is a journey. There are setbacks. Keeping unity, respect, integrity, and service in mind is key. Teamwork is 90% cooperation and 10% difficulties. How do you overcome these times? Use the tools and information on the National website. Do not despair; draw on your sisterhood experiences and use this time to strengthen relationships as you work toward our goals.

I extended a communication for building a relationship with my sisters. My phone number is 727-514-9051.From the convention and currently, this is your sister. Because we are 500 sisters, I am like yourself, leave a voicemail, text or email.I do not respond to unknown phone numbers or emails. I ask that you work out answers with your chapter first. It is a bond.

Happy Thanksgiving, Merry Christmas, and may we be blessed on Epiphany day!

With love and faith,
